

# Increase Taxes or Pass Bond Issue?

Following is a report on problems of taxation facing Orinda Union School District.

It has been prepared by the Board of Trustees as an aid to understanding emergency problems which have arisen in the district.

Readers should scan it carefully to learn why it will be necessary for the School District to raise between \$40,000 and \$45,000 during the 1950-51 school year.

## THE REPORT

A study of the taxes for the Orinda Union School District during the past five years reveals some interesting facts.

Starting with the fiscal year 1945-46, the rate of \$.959 per \$100 valuation has changed as follows: 1946-47 at \$1.013, 1947-48 at \$1.333, 1948-49 at \$1.684 and 1949-50 at \$1.609.

A portion of the above amounts each year were for payment of bond interest and retirement, which when deducted left a rate applicable to operating and capital expenses of \$.785 in 1945-46, \$.865 in 1946-47, \$1.204 in 1947-48, \$1.352 in 1948-49, and \$1.35 in 1949-50.

These figures would seem to indicate a steady increase in operating expenses, but that conclusion is proven fallacious when an analysis is made of amounts raised from the tax rate for capital expenses.

For CAPITAL purposes in the 1947-48 rate, \$.314 raised \$17,000, in the 1948-49 rate, \$.512 raised \$35,000, and during the current year, \$.51 raised \$42,000. These amounts together with the \$11,000 surplus in 1947, total \$105,000.

The OPERATING rates for the five years, after the above deductions for capital expenses were \$.785, \$.865, \$.89, \$.84, and \$.84. These figures, you will note, are all within the legal tax limit of \$.90 per \$100 assessed valuation.

The \$105,000 raised by taxes, together with the 1948 bond issue of \$135,000 and the 1949 issue of \$92,000 made \$332,000 available for new construction, land and equipment. The district has to date expended for capital purposes at the Glorietta and Orinda Schools \$205,000, leaving a current balance available of \$127,000.

The Board of Trustees of the district is proud of the above operating expense performance, especially in view of the fact that the increase in school attendance has resulted in the necessity for additional personnel and supplies for these pupils whose numbers tend to increase more rapidly than the increase in assessed valuation of property in the district.

However, the board is now faced with the problem of a proper course to take in raising additional funds for further construction.

It will be necessary for the district to raise an additional \$40,000 to \$45,000 during the school year 1950-51 to pay for the completion of the present additions that are being constructed both at Glorietta and Orinda Schools. This can be accomplished either by raising the local tax rate or by asking the people for additional bonds.

By raising the 1950-51 rate to \$1.50 (tax limit approved by the voters in 1947) plus a bond rate of \$.33, the school tax for 1950-51 would amount to \$1.83. This figure is about \$.21 above the 1949-50 rate and would raise another estimated \$45,000 for capital expenses.

The alternate course is to reduce the rate (possibly to as little as \$.90 plus \$.33 bond rate—\$1.23 total—which is \$.38 less than the 1949-50 rate) and by approval of the voters to raise the additional capital needed for construction through another bond issue.

The significant fact, not to be overlooked, is that Orinda has financed its own school program, without state or federal aid. The result—we have maintained our complete independence in our schools at Orinda.

Immediate action on the part of the board is imperative because: (1) a preliminary budget must be set up by July 15, 1950, to comply with state regulations and, (2) it takes approximately 30 days to prepare for, and advertise, a contemplated bond issue. Our future course, therefore, must be decided immediately.

## Final Performance of '3 Blind Mice' Set for Orinda School Tomorrow

As a finale to their most successful season, the Orinda Dramateurs will give the second and last performance of their season's third play, "Three Blind Mice," Saturday night at the Orinda Grammar School.

The plot of this farce is laid in the rooms of the defunct Office of Medicinal Herbs, a former government bureau, whose personnel refuses to accept the dismissal order. It is a comedy with special appeal to anyone who has ever had contact with governmental red tape.

Directing the play is Edward O'Brien, and appearing in the cast are Mona Inglis, George Vurek, Dolly Williams, Bill Hanley, Marie Nelson, Jeannette Wright, Andy Johns, C. Kleiser, Frank Wright, Andy Blalock, Bob Anthonisen and Orville Rakestraw.

Originally the initial performance of the comedy was to have been given last Saturday, but owing to the absence of two members in leading roles, Thursday night was chosen for opening night.

### SCHEDULE CHANGED

With the Saturday evening performance concluded, the Dramateurs will have achieved their first major goal, according to A. D. Blalock, who is acting as agent for the group. For the past several seasons the troupe has had to solicit funds for scenery and props, but this season's run has put them on a self-sustaining basis.

Blalock continues that the Orindans now can definitely begin to make substantial contributions toward the community center building which has been the aim

of Orinda groups for the past six years.

It was at this time that the community, through public subscription, bought seven and a half acres for the specific purpose of building a center capable of housing the activities of the various groups in the area.

Although the past productions this season have gone into extra performances by reason of public demand, Blalock says there has been no plan for doing so this time unless the public again demands it following the Saturday night presentation. Other productions of the season were "Junior Miss" and "John Loves Mary."

Plans for the fall season are not yet definite according to Blalock, but judging from the success of comedies this spring, this type of production will merit serious consideration.

## Final 'Sweep' in Lions' Cleanup Drive on Sunday

Everything's set for the final "sweep" of Orinda Sunday as the Lions Club's annual clean up drive comes to an end.

Lion Joe Navone, in charge of the clean up committee, said residents are responding well to the club's call to rid their homes and yards of accumulated rubbish of all kinds.

Navone said a minimum fee is charged persons who want junk carted away from their homes. He said the fee would only be enough to cover the hauling costs, depending on the size of the load.

### BURNING POSSIBLE

Anyone desiring a pickup of trash should contact Navone at Orinda 2844.

Trash also can be burned, providing home owners first get a burning permit from the Fire Department by calling Orinda 6666. The department also will accept newspapers and other rubbish at the fire station.

## Orinda Group Forms Standing Taxation Unit

A standing committee on taxation was recommended Monday evening by the Civic Affairs Committee of the Orinda Association.

Edgar Stewart, who proposed the committee, said it will be the duty of members to study issues of pending taxation.

The Orinda Association board of directors will act on this recommendation Monday night at the Orinda School.

It was suggested the committee meet jointly with officers of the Orinda Taxpayers' Association asking the taxpayers' group to consolidate under the Orinda Association.

Civic Affairs Committee members said their association, hereafter, will take more active part in studying problems of taxation.

## Mrs. Schwarck Takes Helm in Mother's Club

Orinda Mothers Club met at Orinda Grammar School Tuesday afternoon to elect and install officers for the 1950-51 school year. New officers are president, Mrs. J. H. Schwarck, vice-president, Mrs. Robert Bigler; treasurer, Mrs. Roger Stark; recording secretary, Mrs. Arthur Henry; corresponding secretary, Mrs. Anthony Cianciarulo.

Board advisor is Mrs. Donald Krotz, retiring president. Faculty advisor is Mrs. Theorita Canty.

The slate of officers was proposed by Mrs. Stanley Allen, chairman of the nominating committee. Others who served with her on the committee were Mesdames Robert Harrison, Emory Davis, Glenn Butler and William Penn Mott.

## Orinda Chamber Meets Monday

Orinda's Chamber of Commerce will meet Monday evening at 8 o'clock at Orinda Grammar school to elect new officers and directors.

The meeting was originally set for May 8, but was postponed until the new date. Provisions will be made at the meeting to increase the number of directors from five to nine.

## Our Hat Is Off To Mom and Dad and Mothers Club

The SUN takes its hat off to the many mothers and fathers and others responsible for the magnificent success of "Absurdia in Suburbia."

It's success is not only measured by the financial net of \$1600—a very healthy sum for school improvements. But Absurdia offered excellent entertainment to many people, as well as contributing to an overall community spirit. It once more proved that Orindans take delight in pitching in on a worthwhile project.

To the Mothers Club, as project sponsor, goes the primary credit. And hats off to the Mothers Club for continuing to be Orinda's No. 1 "Do It" organization.

## Orinda Cubs to Get Webelos Ranks Tonight

Nine boys of Orinda Cub Pack 32 will receive the highest award in cubbing, their Webelos rank, at special graduation ceremonies to be held during the meeting at Orinda Community Church tonight at 8 p.m.

Presentation of awards and rank advancements to other pack members will also be a highlight of this final session of their year.

The traditional Webelos graduation rites are participated in by parents of the honored boys. Five Cubs of Den 2, James Stewart, Alan Shapiro, Duval Geissler, Steven Rudd, George Harrison, three Cubs of Den 8, Chuck Coburn, Harry Noller, Smedley Ambler, and one member of Den 10, Wade Wallace, will conclude their cubbing activities with this ceremony and be eligible to enter the ranks of Boy Scouts.

Parents and friends of the Cubs are urged to attend this final meeting of the pack.

## Agriculturist Will Talk at Home Dept. Meet

Milton R. Bell, associate agriculturist with the University of California Extension Service, will talk on "Pest Control" at the May 24 meeting of the Orinda Home Department.

The meeting will begin at 10 o'clock at the home of Mrs. Ben Courant, 224 La Espiral, Orinda. Officers will be elected at the organization's June 13 meeting.

## Auxiliary Bishop To Visit Orinda

The Most Reverend Hugh A. Donohoe, D.D., auxiliary bishop of San Francisco, will make his first visit to the Santa Maria Church of Orinda May 21 at 2 p.m. He will confirm 26 young men and women of the parish.

Fifty-four years ago, in September, 1896, Orinda Park was similarly honored by the archbishop of San Francisco, who dedicated the newly built chapel. Mr. and Mrs. Miguel de Laveaga who built the chapel on the de Laveaga estate gave it to the community.

The choir will sing Ecce Sacerdos when His Excellency enters the church. During the confirmation ceremony the choir will sing "The Divine Praises." Mrs. Williams will sing "Franks' Panis Angelicus." The children will sing "Come Holy Ghost," "Faith of Our Fathers," and "Benedictine Hymns."

## Directors to Vote on Town-wide Meet Monday; Candidates Slated to Talk

A town-wide meeting at which candidates for county, state and federal offices would speak was proposed Monday by the Civic Affairs Committee of the Orinda Association.

The date was suggested for May 31. The board of directors of the association will be asked to vote on the proposal Monday evening.

If the meeting is approved, the committee will send letters to all candidates asking them to appear for short addresses.

Purpose of the meeting, committee members said, is to let the public hear candidates tell why they are seeking public office and what they will do if they are elected.

Committee members said the plan will be a "real service to the community voters." They suggested the meeting should be thrown open to the general public for questions after short addresses by the candidates.

During this phase of the meeting, members of the audience would be permitted to pose any questions they feel are pertinent to their election of men to fill the various posts.

## Orinda Association Suggests School Five Point Traffic Safety Program

A five-point traffic safety program for Orinda Grammar School was recommended for action of the board of directors of the Orinda Association by the Civic Committee Monday night.

The program consists of: 1. proposed painted crosswalk in front of the school. 2. Metal traffic warning standards to be placed, one at this crosswalk and one in an existing crosswalk near Orinda village. 3. The establishment of a school safety patrol to take care of incoming pedestrian traffic in the mornings. 4. The construction of a path on the west side of Orinda Highway from the school to the village. 5. The launching of an educational safety program for both students and parents.

Confessions will be heard on Saturday from 4 to 5 and 7:30 to 8:30.

# New Bus Route To Link Area, Oakland

Moraga Valley Stages plans to initiate a new bus line between Oakland and Lafayette sometime within the next six weeks, Robert A. Burrowes, co-owner operator, announced today. The exact date is uncertain pending action of Public Utilities Commission on the application.

Residents living in Contra Costa County, Canyon, Moraga, St. Mary's College, St. Mary's Estates, Glenside and Lafayette will be furnished with direct service.

The line will operate over the following route: Commencing at 20th and Broadway, Oakland, via Broadway, Piedmont, Avenue Pleasant Valley Road, Moraga Road, Mountain Boulevard, Snake Road, Skyline Boulevard, Canyon Road, Moraga-Pinehurst Road, St. Mary's Road, Glenside Drive, Los

This terminal was selected to

keep from conflicting with the Greyhound rights. The latter company is now studying the proposed plan of the Moraga Valley Stages, but has stated unofficially it will not plan any counter action, Burrowes said.

There will be two main fare divisions. From Oakland to Moraga and Canyon will be 25 cents a single trip and a 20 trip commute book \$4.50. From Oakland to Lafayette will be 40 cents and the commute book \$6. All points between Canyon and Lafayette will be 15 cents.

The proposed service will de-

part from Lafayette at 6:45 a.m. and return from Oakland at 5:40 p.m. Saturdays there will be extra schedules leaving Lafayette at 10:20 a.m. and 2:20 p.m. and returning at 9:05 a.m. and 1 p.m.

The stage line is owned by Burrowes and his partner Richard J. Carpenter of Oakland. It will be the first passenger service operated directly to Oakland since discontinuance of electric trains in 1941.

Residents of Canyon and the surrounding area are largely responsible for bringing the situation to a head, Burrowes said.

Action on these proposals will be taken by the Board Monday.

## County Realtors Picnic on Sunday

Contra Costa Real Estate Board will hold its annual picnic Sunday in Mitchell Canyon Park at Clayton.

The five supervisory candidates were guest speakers at the regular monthly meeting held May 12 at Las Palmas, Walnut Creek.

## Area Elementary Schools to Have New Bus Service

The Acalanes Union High School District's proposed bus line serving the elementary schools of Lafayette, Orinda, Glorietta, Vallecito and Montecito will begin operation with the opening of the fall school term. Neil Parsons, superintendent of Union High School has announced.

Acalanes District has taken this action on the request of the Lafayette and Orinda Grammar Schools. Operation expenses will be met on a pro rata basis.

### BIDS DUE MAY 31

The Acalanes school board has called for bids on buses it intends to purchase and bids will be opened May 31.

Parsons said that while there still are many points yet to be considered, the major portion of the plan had been approved by the school board.

Michael Duskich, currently employed as bus supervisor at Monterey, has been appointed to the same post here, but the hiring of drivers will not take place until later in the summer. The buses will be operated from Union High School. Plans call for the operation of about 12 buses.

The Walnut Elementary District began operation of its own system last year.

## County Taxes Up 100 Percent

Each cent of the county tax rate in Contra Costa County for 1949-50 meant a property tax levy of \$28.365—about 100 per cent more than the \$14.163 which a cent of county tax rate raised in 1941-42, California Taxpayers' Association reported today.

The county tax rate for general purposes for 1949-50 was \$2.171 per \$100 of taxable value, 99.7 cents more than the \$1.174 rate for 1941-42.

Property tax levy for county purposes alone amounted to \$6,318,938 in 1949-50, compared with \$1,714,756 for 1941-42. This is the county levy only. City, school district, and special district levies are not included.

## Lobbyists Here To Stay, Ross Tells Audience

Lobbyists—their pros and cons—evoked the most interest at the recent meeting of the Lafayette Women's Republican Club at the home of Mrs. Donn Court.

William Ross, California history and civics instructor at Acalanes High School, was guest speaker.

Mr. Ross said in part: "The widespread ignorance and apathy concerning state and local governments is due partly to the lobby state constitution and to the fact too many candidates' names and too many propositions are listed on the ballot."

### NO ELIMINATION

Ross' speech brought forth comment, from both himself and from members of the audience, that legislation designed to eliminate the "third house," as the lobbyist section is called, probably would not accomplish the fact.

Many high calibre men, including teachers, insurance men, labor leaders, professional groups and others, are among the lobbyists for particular interests. Many lower-paid representatives look to them for guidance, Ross said.

Ross also explained the structure of state and county political regimes. Ardis Myhers, a member of the Republican State Central Committee, contributed information on the group's work.

### SHERIFF'S JOB TALKED

Interest reached its peak as Ross explained the duties of county supervisors, their jurisdiction over many county officers and boards.

The Planning Commission, Ross said, acts solely in an advisory capacity to the supervisors. Jurisdiction over the sheriff's office was somewhat in doubt, but finally evolved to "top man" as the district attorney.

The club's next meeting will be held June 5 at the home of Mrs. William Freeman on Reliez Station Road.

## Canyon Children At Shrine Circus

An excited bunch of 55 Canyon School kids, along with three teachers, piled into a bus for a morning at the Shrine Circus at the Oakland Auditorium.

During the ride, they sang as they never sing during singing class. The pupils were under the supervision of Milton Zemke, principal, and Mrs. LaVon Zemke and Mrs. Rachel Bell, teachers.

Courtesy passes were provided by the Shriners, and transportation was defrayed by parents and the Canyon Civic Club.

Those who did not gorge themselves on pop and hot dogs ate their lunch in the bus on the way home, amid loud chatter about elephants and clowns, performing dogs and trapeze artists. Complimentary tickets also were available for pre-schoolers, and pupils unable to attend the Tuesday morning performance.

In our neighborhoods, please drive carefully. How fast can you stop if a child runs into the street?

## Atkinsons Make It Hot for Bees

Mr. and Mrs. Bob Atkinson of Canyon heard a humming that they knew couldn't be coming from a flying saucer — even though saucers were said to have been buzzing the Contra Costa hills lately.

They finally located the noise as coming from a swarm of bees that had taken up residence in their fireplace chimney. Fire on cool evenings didn't seem to faze the bees.

The legal occupants of the house didn't like their uninvited guests, so decided to make it really hot for them. They built a blazing fire, then threw on a little roofing paper for good measure. Suddenly the wind came up.

The bees are house hunting. The Atkinsons are house cleaning.

### STAY IN LANE

By selecting the desired lane upon entering a multiple lane highway and staying in that lane except for passing, motorists can save breath-taking escapes and accidents. Weaving from one lane to another will inevitably lead to a wreck.

## Canyon Seeking Name for 'Paper'

Canyon residents this week were asked to submit names for a bi-monthly news sheet which the Civic Club has begun publishing.

A committee chosen to make the final selection of the name includes Mr. and Mrs. Paul Foster, Mr. and Mrs. George Chessum and John Marks.

The name will be selected by a

popular vote and the author of the name chosen will receive a prize.

During the summer months, when Mr. and Mrs. Chessum are in Washington, there probably will be no papers. The couple serve as "printers" for the news sheet.

## Everything's cleaner looking - with cleaner cooking

Kitchen cleanliness is largely a matter of cooking-vapors which settle on walls and ceiling. But, you'll avoid most of these filmy deposits with a modern automatic Gas range, the only range with a smokeless broiler that cooks with the door closed . . . while a clean blue Gas flame consumes grease-laden smoke. Controlled temperatures reduce oven spattering. Slide-in drip trays catch crumbs and spill-overs. Ovens have a smooth, easy-to-clean finish with readily removable bottoms for convenient washing. Properly adjusted top burners leave no residue . . . pots and pans stay spic and span.

## Children's Play To Be Presented Here Saturday

"The Emperor's New Clothes" will bring to a climax the successful season of East Bay Children's Theatre Association for the children of the East Bay and vicinity.

"The Emperor's New Clothes" is being produced by the East Bay Children's Trouping Company and is directed by Burdette Fitzgerald. It is the tale Hans Christian Andersen tells of the foolish king who thought of nothing but clothes until he was tricked by two rogues.

In this Oriental version of the play, the property men and scene-changers will be visible to the audience. The setting also will be done as in a Chinese theatre. The costumes and scenery have been designed by Jan Mareser assisted by Elliot Johnson. These have been made in the East Bay Children's Theatre Workshop, under the chairmanship of Peggy Cameron and Priscilla Sears.

**HERE MAY 20**  
 "The Emperor's New Clothes" will be presented at Acalanes High School May 20 as part of the Walnut Creek Recreation Council's program and is being sponsored by the Walnut Creek Woman's Club.

## Aid of Missed Persons Asked As Census Ends

The house-by-house enumeration of the areas of Lafayette, Orinda, Moraga and Canyon has been completed, Jack Collins, Bureau of Census supervisor for Contra Costa County, said yesterday.

Collins said his office now is engaged in a "followup census" which requires the cooperation of all persons missed by the enumerators.

Anyone missed, Collins said, should send in his full name and address (a street address or a description of the property is required) to either the Lafayette or Orinda Chambers of Commerce.

**TEST CHECKUP**  
 Such notice to the Chamber offices will be forwarded to the Census Bureau in Alameda. Census enumerators then will be dispatched individually to the homes to gather necessary census information.

Collins said a "test checkup" conducted throughout the area indicates the house-by-house count has been fairly accurate. He said he does not believe many homes have been missed, excepting those where enumerators have not been able to find anyone at home.

**GROWTH TERRIFIC**  
 "The growth in your area during the past 10 years has been terrific," Collins told The SUN. "It really surprised us here at Alameda and also at Washington, D. C."

He said figures on the population will be available in a week or 10 days.

## Show Spurgeon's Water Color Work

In the gardens of the A. A. Sekt home in Reliez Valley recently, F. W. Spurgeon, local artist, held a reception and premiere showing of his water color portraits to a large group of guests. The lifelike paintings were displayed throughout the spacious living rooms on large easels.

Among the portraits viewed by the 180 visitors were water colors of the artist's mother, Mrs. W. H. McNeil, Mrs. Lloyd Kahn, and the host and hostess of the afternoon, Mr. and Mrs. A. A. Sekt, and their children, Susan and Buddy. Also there were portraits of the artist's wife, Mrs. F. W. Spurgeon, and their sons, Dwight and Kenneth.

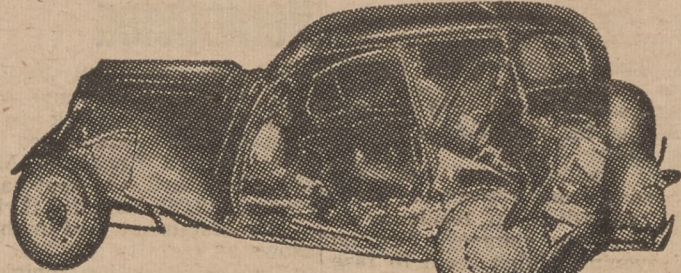

**PORTRAIT SHOWN**  
 On exhibition, too, was the portrait recently painted by Spurgeon of Bishop George Miller, retired minister of the Lafayette Community Church and well-known Methodist church leader and missionary.

Also hung for the showing were three landscapes done by the artist. One of these paintings, "Storm Over Sausalito," was presented to Mrs. Sekt during the afternoon, while the other two, "Storm Over Golden Gate Bridge" and "Scene From Rheem Highway," were given to members of the Gadabouts, a trio who furnished music throughout the afternoon. The musical group is made up of Don Burke, Jim Fewell, and the leader, Chick Gandel.

**'QUEEN' ATTENDS**  
 Among the guests who called during the afternoon was Miss Doris Baldwin, centennial queen for the City of Paris, whose portrait also was on display.

Assisting Mrs. Sekt in receiving guests were Mrs. Leroy Sowers, Mrs. Clayton Hermann and Mrs. F. W. Spurgeon of Lafayette and Mrs. W. H. McNeil of San Francisco.

## Contra Costa Schools Operate in UC Rural School Health Program

Several Contra Costa rural schools have been asked by B. O. Wilson, superintendent of Contra Costa schools, to cooperate with a group of University of California students who are doing graduate work in rural school health.

These students, working for their master's degrees, have visited Canyon School several times and have taken pictures of its pupils in their picturesque surroundings.

Last Wednesday representatives from four Contra Costa County schools met at Moraga School with the U.C. graduate students to discuss plans for a health institute to be held at the university under the sponsorship of the university group on May 20th.

### DISCUSS NUTRITION

The schools represented at the meeting were: Canyon, Moraga, Briones Valley and Port Costa. Milton Zemke, principal, and Mrs. LaVon Zemke, teacher at Canyon School, attended. Mrs. Rachel Bell, Canyon's third teacher, will attend the institute at U.C. It was under the direction of these students that Mrs. Fox, district nurse for the Contra Costa County Health Department, visited Canyon School and gave a talk on nutrition.

After the talk the teachers continued with the nutritional program and now the pupils of both rooms are well informed on the nutritional value of the food they eat.

## 12 Days to Go, But Cancer Fund Drive Lagging

With only 12 days remaining before the Contra Costa County Cancer Drive ends, fund contributions are lagging, Todd Nies, Lafayette and Orinda chairman, said yesterday.

The drive, designed to raise funds for cancer research and treatment, was extended through May when the original effort last month failed to meet expectations.

### SOME MAILED IN

Mrs. H. O. Anderson, publicity chairman for the two communities in the drive, said some voluntary contributions have been mailed to CANCER at the local post offices, and some have been received at the home of Mr. and Mrs. Audrey Macomber, 1000 Oak Grove Road, Ygnacio Valley. The Macomers are co-chairmen of the County Cancer Drive. Contributions to this address also should be addressed CANCER.

Nies and the Macomers are asking residents of the county to "dig deeper for a very worthy cause."

## 'She's a Natural Born Trouper,' Director's Opinion of Mona Inglis

Everything blooms in California—talent too.

Mona Inglis began her career in amateur dramatics while on her honeymoon—and in the part of her husband's mother. That was in the East. It was not until she arrived in California that she really hit her stride in "Ten Nights in a Barroom" under the direction of Valentine Newmark.

By preference Mona goes for the more serious roles on the stage, but her assignments have been varied. They include such roles as Mrs. Soanes in "Our Town," Karen Andre (her favorite) in "Night of January 16th," Mrs. Simmons in "The Whole Town's Talking," the spinster in "Good Bad Man," and Marge Gage in "January Thaw." Little Theater audiences will next see her as Crystal Hower in "Three Blind Mice" being put on by the Dramateurs Saturday.

Orindan's director, Edward O'Brien, comments to the effect that she is the answer to a director's prayer, a natural born actress and a hundred per cent trouper.

Off stage Mona engineers a household for a husband and two sons, ages 7 and 12—her major role. When asked by the Oakland Tribune reporter (Sunday, May 14) how the two "roles" jibed, Mona said that though her sons sometimes look at mother askance when she is rehearsing over the dishes, her ability at quick study enables her to enjoy both vocation and avocation.

## It's Confusing, To Say Least

My, but we're confused. To say nothing about being red-faced.

It all came about with our moving of last weekend. We're still all a-dither.

That's why, probably, A. S. Ballard, Edward "Li" Shuey and Dorothy Shuey looked like Modern Dancers to us on the second front page of last week's issue.

Not that they aren't agile enough to be Modern Dancers. But what we're getting at is they weren't so pictured. Actually they were photographed in a scene from "Absurdia in Suburbia," which the Orinda Mothers' Club staged last Friday and Saturday, raising \$1,600.

## Knit-Wit Club Has Baby Shower

A surprise baby shower for Mrs. Emily Foley was held Wednesday when the Knit-Wit Bridge Club met in the home of Mrs. John Leigh in Lafayette.

## 'Bones' Orinda Sermon Topic

"Bones" is the topic which has been chosen by Rev. Fred R. Morrow for his sermon next Sunday morning at 11 o'clock at the Orinda Community Church.

Delegates from the church are planning to attend the annual meeting of the Northern California Congregational Conference to be held in Santa Cruz next weekend, May 26-28. Youth Day services will be held May 28 at the church hour, 11 o'clock. Superintendent E. D. Howe will be in charge.

### Feeding Lawns Won't Hurt Them, If You Follow Plant Food Directions

By BERT WRIGHT

I HAVE HEARD a few gardeners say they hesitate to feed their lawns this year because so and so fed his lawn last year and the grass turned brown. Then they revive the annual question of whether use of plant food on lawns actually does cause "burning."

THE FIRST TIME I fed my lawn I, too, had a little trouble — but after I had gone back and read the directions, I realized that improper application on my part

and not the plant food was to blame. Temporary burning on lawns sometimes will result if plant food is applied unevenly or is not watered in after being applied. This causes only a superficial injury to grass leaves and then disappears rapidly when the grass is making good growth.

EVEN IF THE gardener in his springtime haste should put on too much plant food in a few spots or forget to water it in, his lawn may show a few brown spots for a while but will rapidly go away. Complete plant food contains certain compounds which tend to absorb water. Therefore when the plant food is permitted to remain on the leaves of grass, it pulls the water out of the tissues and may cause the browning. This temporary unsightliness can be entirely avoided if you are careful to follow the manufacturer's directions.

MOST OF THEM state very plainly that the plant food should be evenly distributed on grass when it is dry. Immediately after application it should be thoroughly soaked in with the hose. Watering the lawn will remove the particles of plant food from the leaves and get it down into the soil where it can do some good.

IT IS BECAUSE of this same water absorbing tendency that flower and vegetable seeds should not be placed in direct contact with plant food when they are sown. Instead thoroughly work in the plant food by spading or raking in or place it in shallow trenches on either side of the row

## School Election Polls Open Today, Contests in Lafayette, Canyon

Polls opened at 7 o'clock this morning, and will stay open until 7 o'clock tonight, as voters in the areas of Lafayette, Canyon, Orinda and Moraga are given the chance to name school trustees.

Only two of the areas have contests — Lafayette, where four men seek a single seat, and Canyon, where three have filed for a lone vacancy.

### 3 ARE UNOPPOSED

Candidates in Orinda and Moraga are unopposed. In Orinda they are Ritchie C. Smith and Edgar Stewart, and in Moraga Bernard Franklin is unopposed.

With interest stirred up in a "Meet the Candidates" session last Wednesday, the Lafayette voting may set a new total vote record in a school election.

### 7 FIGHT IT OUT

Four men are seeking the seat which is being vacated by Col. Howard M. Smitten. They are Parker Jameson, Charles B. Neuman, Mel Nielsen and W. B. Scarborough.

Polling place for Lafayette is the Lafayette Grammar School.

In Canyon, the three seeking election are Patrick L. King, Allen R. Crawford and Myles O. James. Votes are being cast at the Canyon School.

## Orinda Plans Fire Patrols

Orinda Fire Department urgently requests all area residents to be on guard against the approaching hazard of grass and brush fires.

Beginning June 1, all outdoor burning will be curtailed. Permission to burn may be obtained only after inspection by fire department representatives and issue of a special permit, according to Fire Chief Everett Wyatt.

### PATROLS PLANNED

Orindans are urged to rid their premises of any accumulation of grass, brush or other inflammable materials, either by burning it after securing a permit, or by having it hauled away. Newcomers to the area can contact the fire department for further information by calling Orinda 6666.

Sale of or possession of fireworks is strictly forbidden, Chief Wyatt points out with the approach of the Fourth. Special patrols will be inaugurated during that period, and residents are urged to report any instance of violation of the fireworks ban, no matter how trivial, to the fire department.

## Lafayette Leads Orinda by Points On Weather Map

The weathermen of Orinda and Lafayette are a feudin' and a fussin'. The competition is still on, with Lafayette still points ahead. The weather bureau in this area insists there's nothing like a good hot day, while Orinda's department is covering up by saying heat makes people sluggish, lazy and generally unbeneficial to mankind.

Every man to his own poison, we say. Anyway, from May 10 to May 16, Lafayette registered an 88 degree high to Orinda's 84 degrees the 11th. Orinda's cold spot was the 10th, when 41 degrees was recorded, while her sister community didn't exactly swelter in a 43 degree low for the week, registered the 12th.

Personally, we like to be sluggish, lazy and a detriment to the human race. Turn on the heat!

## Orinda Pack 32 Meets Pleasant Hills Tomorrow

Cubs and friends of Orinda Pack 32 are reminded that the baseball team will meet Pleasant Hills Cub Pack team at Orinda grounds tomorrow morning.

Other games scheduled for the league series are: May 27, Pack 32 plays Walnut Creek at Walnut Creek; June 3, Danville team will come to Orinda to meet the local team; June 10, Ignacio Valley will play Pack 32 team at Orinda.

June 17 has been set for the All-Stars final game, to be played as a feature of the annual Diablo Area Cub picnic and outing at Acalanes High School.

## Clipper Club Goes by Canoe

Led by Skippers Mollie and Chuck Blue, members of the Orinda Community Church Clipper Club made an extended canoe trip into the Canadian north woods last Friday night.

Wilbur Twining made this unusual experience possible with his colored movies of an exciting trip through a chain of lakes and tumbling streams in the Caribou mountain country of British Columbia.

Between reels of this adventure, coffee, ice cream and cake were served by the Bob Browns, A. R. Meyers and R. I. Copenhagen.

In June each Clipper group will hold its own meeting separately, time and place to be announced later.

## Orinda Electric In New Quarters

Orinda Electric Shop will mark opening of its new store at 41 Moraga Highway with an open house tomorrow.

Owner Karl E. Fitch has invited Orindans to visit the new and larger quarters and inspect the stock of electrical equipment.

The shop has been located in the Village for the past two years. Features offered include expert repair of all electrical equipment, radio sales and service, household electric appliances and television, both sales and service.

Noted for his success in the installation of television aerials in areas where proper reception was considered impossible, Fitch plans to continue with this service and urges Orindans to call him for aid in their television problems.

He hopes to give a television demonstration during the open house tomorrow. He also is offering free tickets for a portable radio, electric iron and other gifts during the week ending May 27, when the prizes will be given away.

## Allen Breed Marks Birthday

To celebrate Allen Breed's seventh birthday on May 14, Ricky Layne, Douglas Hudson and Tony Hudson were invited to a picnic on Mt. Diablo on Saturday. The boys, each being known as a prominent cowboy of radio or television fame, had fun climbing around the rocks and discovering caves.

At the adjoining picnic spot the Orinda Girl Scouts were having their outing under the leadership of Mrs. Long, Mrs. Butler and Mr. and Mrs. Ed Turk.

On Sunday, Allen and his parents were invited to a birthday dinner at his grandfather's home in Piedmont.
